Making the most of our partnership together

Stay, Play and Learn Parent Sessions

Tuesday mornings until 9.30am

Would you like to join us on a Tuesday morning for a play?

These sessions will run this term starting from next Tuesday 2nd May when the doors open in the morning till approximately 9.30am. There is no need to book you just simply Stay and Play. It is a good way of getting to know more about how your child is progressing and learning. Our very first 'Stay and Play' will be the first day back after Bank holiday Monday and will also be our first day of 'BIG WHEELS' week for Little Owls class only.

BIG WHEELS WEEK: Tuesday 2nd May – Friday 5th May (weather permitting)

After the Tour de Yorkshire weekend we are inviting your child to bring their big wheeled toys in to school every day in 'Big Wheels Week' from Tuesday 2nd May, if they wish, such as, bicycles, scooters, roller-boots, basically anything with wheels! Please observe the weather each day to decide if this is appropriate.

P.E.

KITS ARE NOW NEEDED FOR TUESDAYS AND FRIDAYS EVERY WEEK PLEASE

We are delighted to inform you that Little Owls are receiving specialised gymnastic training sessions each week on a Tuesday. The coach, Mark, requires all children to have a P.E. kit and long hair must be tied back. Your child will need a red T-shirt and black shorts and bare feet for Tuesday gymnastics although please check your child's indoor footwear is correctly fitting for Friday P.E. lessons.

Show and Tell

We ask that your child brings something relevant to our topic of 'It's Good to be Alive!' for their Show and Tell please. We have very busy days in Little Owls and we try our very best to fit everyone's Show and Tell into the day where possible.

Parent Workshop – Focus on Maths – Thursday 11th May 8.45 am or 3.30 pm

You are invited to attend a meeting in Little Owls Class regarding your child's learning in maths so far. This is an important opportunity for you to contribute to your child's learning and to find out more about teaching and learning, with a particular focus on maths. We will run the same workshop twice in the day, which may last up to an hour and hope to see you at either the morning session or the afternoon session, please indicate on the pro-forma which workshop you wish to attend.

Thank you parents for all your support we look forward to a busy and fun summer term together!

Mrs Parkin and Mrs Aspinall
