

*Information for Parents*  
*Summer Term 2016*

*Class 4*

*Teacher: Miss Haigh*

*HLTA: Mrs Key*

We are now back and ready for our summer term! We had a wonderful time at the National Forest and the children were extremely well behaved. Many children faced their fears on the high ropes and enjoyed getting muddy on the barefoot walk. Children had an opportunity to develop their practical skills whilst putting together a scooter. The zoo gave the children an opportunity to learn about the rain forest and find out about the different animals. We will be carrying out work linked to our Zoo visit in literacy. Our final day at Moira furnace took the children back in time and they are now experts at doing the laundry! The assembly on Thursday 21<sup>st</sup> April will give you an opportunity to see what the children got up to.

The topic this half term is the Romans and the children are going to be writing a story looking at myths and legends. In PE we will be covering cricket, tennis and golf over the next term. In science we will be investigating sound and light. The ITV share a story competition is running at the moment, which is something the children may be interested in entering. The closing date for the competition is the 29<sup>th</sup> April and details are on the CITV website.

Spelling and homework hand in date will continue to be on a Wednesday. The children produced some amazing pieces of homework last term which was shared and enjoyed by the children in class. Any questions then don't hesitate to pop in and feel free to come in and look at our displays/big books of the wonderful work the children are producing. Remember to bring suitable PE kids for all weathers, including sun cream and hats for warmer days.

Thankyou
