### Summer Term Update

**Class 6**

**Teacher:** Mr John Key  
**Support Assistant:** Mrs Karen Merry  
**Student Teacher:** Miss Paige Carroll

We would like to welcome you all back for the Summer Term. For Year 6 pupils this will be their final term in primary school and we expect them to make the most of this special time; they should feel fully prepared to make the next step in their education. Equally for Year 5s it is an important time in their education.

The Spring Term was another busy one with a whole range of activities including: acrogymnastics; Golden Mile; Talk 4 Writing; Premier League Reading Stars; Reading Circles; Safer Internet Training; Childline Workshop; Growth Mindset Day; Science (Electricity); Spring Service.

Many pupils have represented their school in a range of sporting activities including football, swimming, netball, athletics and cross-country. Young Leaders awards - several have already attained a Bronze Award - fantastic work! The junior road safety officers have been really busy organising activities to promote safety awareness across the whole school.

Year 6 SATs will be taking place during the w/c 9<sup>th</sup> May. All of Class 6 are invited to come along to our Breakfast Club each morning of that week - details to follow.

The Summer Term promises to be equally as busy with lots of visits and activities planned, including visiting future high schools. Our main topics in class will be a study of 'The Ancient Islamic Civilisation' and 'A journey through our bodies' - these topics will be cross-curricular.

The Year 6 Leavers' Service is planned for the morning of Thursday July 21<sup>st</sup>.

Please ensure that your child has their PE kit at school, including trainers and a sun hat as most of our PE lessons this term will take place outdoors (including cricket, athletics and rounders). When sun is forecast the children should also have applied sun-cream to their arms, necks and faces before school. During warm weather it is especially important that the children have their water bottles at school - these are sent home each evening for washing.

Let's hope that the sun shines and that all the children have an enjoyable and successful Summer Term!
