

Barn Owl Homework tasks:

I Must.....

Read my reading book **every** night – this does not have to be the whole book!

Practise my spelling activities **to help me recognise and use the spelling patterns.**

Learn to spell and read the words on my CEW list (Common Exception Words list) – by the end of year 2 we should know them all!

Practise your two, five and ten times tables – you could use coins or objects to help you.

Practise using coins to make different amounts of money.

Practise writing digits 0 – 9 **the right way round.** We need to get this right every time 😊.

I can also.....

Can you tell a story that is set in a castle?
You could write a book, make a puppet show or act it out.

Can you build and label a castle – what materials will you use?

Can you dream up a dragon?
You could: draw, describe, bake, collage or make it.
Where does it live? What does it like to eat? What powers does it have?

Can you find out interesting facts about a castle in the UK?

Design and make a shield that you could use if you were a knight. What symbols would you use and why?

Make a wordsearch using lots of castle vocabulary. How many words can you hide? You could challenge your family or friends to find them all.

Make a board game all about castles. You could create your own version of snakes and ladders or even castle snap! Please bring it to school to share if you make a really good game 😊

Write a letter to someone who lives in a castle – what would you like to find out?
