Barn Owl Homework tasks:

I Must.....

Read my reading book **every** night

Practise my spellings **every** night (lists/activities on Spellodrome)

Learn to spell and read the words on my CEW list (Common Exception Words list)

Count in multiples of 2, 3 & 5 & 10 from any number up to 100.

Practise telling the time to five minutes, including quarter past/to.

For those of you that **requested SATs style questions for reading at parents' evening**, please see the following link:

http://www.satspapers.org.uk/Page.aspx?Tld=4
This gives PDFs of previous SATs papers which will give you an idea of the style of written questions asked.

I can also.....

Can you create a game that will help someone learn their division facts for the 5, 2 and 10 times tables?

Can you make a recipe using foods you would find in South America? Surely it would be chocolatey!

Can you make a craft animal from the rainforest? It could be a sock snake, a peg lizard or a plate frog.

Can you find out about an animal or plant that lives in the rainforest and create a fact file about it?

Can you represent the layers of the rainforest through art? Could it be a collage? A painting?

Can you find something that is in the rainforest for every letter of the alphabet? Add an adjective to describe it...e.g. Terrifying tree frog

Investigate fractions. Can you find half, quarters, thirds of objects or numbers? Perhaps you could share a pizza? Share a bar of chocolate? Slice your toast in quarters? Remember fractions have to be equal parts.

Find out about products we use that grow in the rainforest. Are any of them Fairtrade products?
