

Elf Owl Homework Tasks

Spring 2

I Must.....

Read and discuss my Oxford Reading Tree/Big Cat Collins book every **night** (please be assured that you do not need to read the *whole* book each night!)

Practise my spellings each week using Spellodrome/write in homework journal

Practise counting forwards and backwards to 100

Say 1 more and 1 less to 100

Practise your maths skills using Mathletics games

Practise reading and writing year 1 Common exception words (attached)

Practise reading the alien words sent home each week. Remember to spot the digraphs first.

I can also.....

Read your favourite traditional tale and change the ending – what might happen? Can you put on a play of your favourite story?

Make your favourite character from a traditional tale – what will you use?

Go on a materials hunt around the house. What can you find that is made from wood, plastic, metal or rock? What else could you make from one of these materials?

Play 'Who am I?' – write down lots of different traditional tale characters on stickers/post it notes. Choose one to put on your back/forehead and ask questions to find out which character you are.

Write a letter to your favourite traditional tale character. What will you ask?

Design an alien and give it an alien name.
