

Tawny Owl Homework tasks:

I Must.....

Read my reading book **every** night

Practise my spellings **every** week
(lists/activities on Spellodrome and in spelling books)

Practise my times tables every week

Practise your maths skills on mathletics.

Practise your times tables

Practise your lines for the Easter play.

* We will make time on the last week of term for children to share their homework.

I can also.....

Collect some data and present this in a graph.

Write your own adventure story. You could use lego, toys, ICT, story mapping etc to help you generate your ideas.

Draw a picture illustrating the Easter story.

Make a Norman Shield.

Research an animal and present your facts. This could be presented in a fact file, project form, power point, information leaflet etc.

We are going to have a Science day on the last week of term for good behaviour. Can you come up with an exciting experiment that you could share with your peers! If you can let me know the week commencing 27th March what you are planning to do in case I need to get anything for this.

Make up a times table rap for one of the times table you find tricky. You could teach it to your friends!

Make up your own dance routine and show it to your peers.
