

Eagle Owls Roald Dahl Day

Some people came as Willy Wonka, BFG, Sophie, Danny the Champion of the world and Miss Honey. Mr Key was Mr Hoppy and Mrs Merry was a Golden Ticket.

When the day started Mr Key asked everyone about who they came as and about their character

Emily Simson did this challenge so you had to pick an envelope and if you got a golden ticket you got a massive chocolate bar but if you didn't if it said sorry you just got a chocolate coin. If you wanted to buy an envelope it was 50p

Mr Key started to read Danny the Champion of the world and then he asked who was dressed up from Danny the Champion of the world. Then we watched a little bit of the Danny the Champion of the world the film.

We did an activity where you have to design a pheasant catcher. Then some people showed some designs. Some of them were called The Hand and a northern one was called Hook Pheasant

At the end of the day we watch Danny champion of the world from the start to the end. Everyone enjoyed it. It was amazing, sad and funny too.
