

## Roald Dahl Day - Elf Owls

Today we have been learning about *Charlie and the Chocolate Factory*.

First we decided if we thought each character was good or bad. We sorted them into groups as a team.

Then we listened to the story of *Charlie and the Chocolate Factory*.

Next each group drew a character from the story: Oompah-Loompah, Charlie Bucket, Augustus Gloop or Willy Wonka. We worked together to choose the words that matched and described our character. In the afternoon we wrote super sentences to describe the characters.

After that we learned an Oompah-Loompah dance! We had lots of fun and were super smiley! It was tricky but we know that we "never give up!"

Finally we had to work as a team to complete some chocolate challenges. If we succeeded, we won a special Golden Ticket for our team to go to Elf Owls chocolate factory the next day. We all worked really hard and won our Golden Tickets! Hooray.

What a lovely day we had!
