

Fundraiser for Shell's Story bench

You are invited to come and have a fun 2 hours to raise money so we can buy a colourful story bench made from recycled plastic in memory of Shell.

Shell worked for Hambleton playgroup for 23 years and loved every minute of it. She was notorious for her stories and keeping the children engrossed and interested in anything she did.

We would love the community to help us buy a story bench with a plaque so staff and all the children who she looked after can know they have helped to provide an area where the children of the future will be able to listen to intriguing and exciting stories which will progress their learning, just how Shell would want to.

We would like to invite present and past friends to come along, chat with us and raise as much money as possible.

There will be an unveiling of the bench and plaque at a later date where we will invite Shell's family along and we would like you to come and show your support.

The date is Saturday 23rd June 10 am-12 noon

Here at Playgroup

We are asking for donations of any unwanted toys and books (all types of books), please bring them into playgroup at anytime.
