

## Roald Dahl Day 13<sup>th</sup> September 2016

Tawny Owls had a fantastic Roald Dahl Day.

We started by learning about Roald Dahl and finding our Roald Dahl names. We then did some performance poetry of Roald Dahl poems and presented them to our class. Most of all we enjoyed listening to and making up our own revolting rhymes.

In the afternoon we made our very own dream catcher. To finish off the day we thought about our dreams and we all put our dreams in a jar which we left under the moonlight in hope that our dreams would come true.
