UNICEF Children's Rights:

Article 27
Every child has the right to a standard of living that is good enough to meet their physical, social and mental needs.

Thought of the Week

'Let there be peace'

THE CHURCH
OF ENGLAND

Governors' Awards

As advised by text message, the Governors' awards will now be presented during next Thursday's Assembly starting at 2.20 pm. As ever parents are welcome to attend this assembly, so if you can, please come along and help us to celebrate the wonderful children that make our school the great environment that it is. Also birthdays will be celebrated at this assembly.

School Reports and New Classes

The children will bring home their Attainment Results and information about classes for September today.

Special Leavers' Lunch

On Friday 22 July, Mrs Reed is serving one of the favourite lunches of Year 6. Therefore it will be Chicken Korma, rice, peas, sweetcorn and naan bread, followed by Arctic Roll and peaches.

Book Amnesty

There are many reading books and Accelerated Reader books missing. Please check in cupboards, bags, under beds etc and return any books that belong to school. Of course books are very expensive to replace and we 'lose' a significant number of books throughout the course of the year. The books can be left in the box in the entrance porch; no questions asked! Thank you for helping to recoup as many as possible

FOHS Band Night

A very big thank you to Jamie Morrison and FOHS who organised the band night on Saturday. It was a huge success and everyone had a great time. Thank you to everyone that supported the event.

TETHERED DOGS

When tethering your dog at the front of school, please show consideration to other children and parents. Some children and adults have reported being frightened when passing these dogs. Of course, dogs are NOT allowed within school grounds and we appreciate that walking to school is an obvious time to walk your dog. But please be aware that some of these dogs are growling and snarling at each other whilst tethered. Thank you.
