All the representatives had qualified to compete through local events. After a hectic day of competition, Hambleton Primary School (the winners of Selby area) came a fantastic third place, therefore receiving bronze medals. North Yorkshire Sport Head of Development George Cull said "Huge congratulations to all the athletes who took part in today's event. Just qualifying for these finals was a great achievement, so the athletes can all be proud of their results and a great display of team spirit. A special mention to the top three from Scarborough, York and Selby (Hambleton Primary School) who excelled today to take home the winners medals". An amazing achievement for 'Team Hambleton'!</p>
