Heads Up

MENU CHANGES:

Thursday 17 May

Fish fingers will be served instead of minced beef

Friday 18 May
Royal Lunch of bangers & mash with Royal cake will be served instead of fish fingers

'Big Me' Event

Our thanks to Robert Seager and Charlie Sedman for organising a fantastic 'Big Me' day last week. We were impressed with the range of careers our children aspire to. The many different choices included doctors, explorers, lawyers, scientists, politicians, teachers, firemen and gymnasts. We're delighted that our children are aiming high! The event raised £117.22 for Action Aid.

Key Dates

NO Special Mention Assembly
 Friday 18 May

Art Club

This term we've continued to widen the range of clubs we offer by starting an after-school Art Club for Year Fives. The club got off to a cracking start with the pictured art inspired by Jasper Johns. Our thanks to

Mrs Collins for running the club and Miss Clay for supporting.

Royal Wedding Party Reminder – Friday 18 May

A reminder following the letter sent home earlier this week: next Friday, 18 May, we will be having a Royal Wedding Party to celebrate the forthcoming royal marriage. If your child would like to, they may wear red, white and blue clothing for the afternoon and bring a small amount of finger food to share with others in their class.

Thought of the Week

'Positive mind, positive vibes, positive life.'

Year 6 SATs

We wish our Year 6 children all the very best for their SATs which take place next week – everyone has worked very hard to give themselves the best chance of success.

Dangerous Parking

Yet again we have to mention this serious issue. Parents/carers should not be parking on the yellow zigzags or opposite the school junction. If we continue to receive reports of this we will deploy supervised student volunteers as 'Parking Police' to spot and 'ticket' those who are continuing to compromise the safety of our children. Also please respect our neighbours by not parking over their driveway or on a junction.

PLEASE HELP TO KEEP ALL OUR CHILDREN SAFE
