Heads Up

- **Fathers' Day lunch** is on Tuesday

Key Dates

- **Special Mention Assembly** at 2.30 pm

Thought of the Week

"The journey of a thousand miles begins with one step"

Lao Tzu

Plant Sale

Last week Snowy Owls put on a sale of some of the produce they have been growing at Stockbridge Technology Centre. They conducted their sale in a highly professional way; using their maths skills to collect pre-orders, calculate cost and profit and market their sale. Thanks to Miss Middlebrook for supporting them in this, they raised a fantastic £133.40 towards new technology for school.

Howsham Mill Visit

"We went to Howsham Mill on Friday 24 May. We learnt all about the history and science of the mill. We made solar ovens and melted marshmallows and a biscuit. We performed an experiment using data loggers and we saw lots of wildlife – even a kingfisher!"

By Charlie, Chloe and Mary.

A 'Real World' Link for Year Six

"We had a visit from Mr Savage who works for CITU. CITU is a company that design and build eco-friendly, zero carbon houses. He showed us a powerpoint about how they build them and the materials they use to build their houses." By Isabella & Ella

"I thought it was a very interesting and informative and taught me a lot more about climate change." Amelia

Fantastic Fundraising

Two weeks ago the Friends Group put on two excellent Film Nights which were very well attended. They raised a fantastic £350 towards new computing technology for the school. Thanks very much to Jamie and the Friends for their constant hard work to support us.

Wow! Our justgiving appeal for funds towards new computing technology for school has already reached a fabulous £500! Thanks very much to the many of you who have contributed.

NSPCC Online Safety Workshop for Parents

Thank you to all the parents who attended the workshop this afternoon. We hope that you found it informative.

Fathers' Day Lunch – Tuesday 18 June

Reminder that our Fathers' Day lunch is to be served on Tuesday for **pre-booked** fathers/grandfathers or carers.

Adults of children in Little Owls, Elf Owls and Barn Owls should arrive at school at 11.45 am for a 11:50 lunch. Adults of children in Tawny Owls, Snowy Owls and Eagle Owls should arrive at 12:20 for a 12:25 lunch. For any adults who are attending with **children from both groups**, then these adults **should arrive** for the **earlier lunch** please.

Sports Day

On **Friday 28 June** it is our **School Sports Day** starting at **1pm**.

Everyone is welcome to spectate. As the children will be competing in their House Teams, we would be grateful if you could provide your child with a T-shirt that matches their **team colour (Fire; red, Water; blue, Earth; green and Air; white/yellow)**. The children will also need to have their usual black shorts and trainers. A **sun hat and sun cream** are also advisable, as of course we are expecting wall to wall sunshine!

Summer Fair

As advised on the What's Happening, this annual event is to take place on the afternoon/evening of **Friday 28 June** after Sports Day and will begin straight after school.

Donations are required of: teddies for the teddy tombola, empty clean jam jars and prizes for the traditional tombola. All donations may be left in the school entrance porch in the box provided. Thank you.

Messy Church

The next messy church takes place at Hambleton Methodist Chapel on Sunday 23 June at 10.30am. All children and families are welcome for crafts, stories, singing and lots of fun!

Hambleton Food Festival - Date for your Diary

On Tuesday 9 July 2019, Hambleton Primary School will be holding a 'Global Street Food Festival' to celebrate the ending of our summer term topic, 'What does it mean to be Global?' The children are finding out about

different countries and the foods that they eat, sharing this knowledge on their stalls. Different foods and treats from the chosen countries will be prepared as part of the children's learning, these foods can be sampled and all we ask is a small donation on this special celebration day. This is an 'enterprise' event, which involves the children using and developing their mathematical skills, working out costings and profit margins. The money raised will contribute towards our 'IT fund'

The stalls will be on the school playground, weather dependant, opening at 3.00pm and you are welcome to bring a picnic rug and sporting/games equipment for yourself and the enjoyment of your child/children during the festivities. If it is raining, the stalls will take place in our school hall.

Watch out for a letter which will give further information about this exciting event.
