## Heads Up

- **Spring Services**  
Tues 9 April

## Key Dates

- **Special Mention Assembly**  
at 2.30 pm

## Thought of the Week

'Don't count the days,  
make the days count'

*Muhammad Ali*

### All Different, All Equal Day

Last Friday saw our second annual 'All Different, All Equal Day' celebrating inclusion and diversity. Children in every class investigated the learning challenges and difficulties faced by many children and adults. Needs included hearing impairment, dyslexia, autism and ADHD. Thanks very much to the large number of parents who attended our Sharing Assembly at the end of the day and to our SENCo, Miss Haigh, who supported the teachers to organise the day.

### Mother's Day Lunch

Wow – what a turnout on a lovely sunny day. 74 lunches were served to mums, grandmas and carers for our special Mother's Day lunch. Thank you to everyone for supporting us and for the many wonderful comments. Also thank you to our kitchen staff and lunch time supervisors for all their hard work.

### Spring Services

Our Spring Services take place in St Marys Church, Hambleton on Tuesday 9 April as follows:

- Classes Little, Elf & Barn – 10.00 am
- Classes Tawny, Snowy & Eagle – 10.45 am

All are welcome

### Selby Hands of Hope - Appeal

Charlie in Year Five is organising donations for local charity Selby Hands of Hope. If you would like to support you can bring:

- Used clothes and shoes (in good condition please)
- Used toys, books and bric-a-brac (again in good condition)

There will be a box in reception for the next two weeks for your donations.

### **Stockbridge Visit by Hollie-Mai (Yr 5)**

On Wednesday 27 March, Snowy Owls went to Stockbridge Technology Centre in Cawood, a local site which researches new varieties of plants and vegetables.

Snowy Owls learned how to plant different seeds which will later be taken home after their next two visits. This included planting potatoes, peas and lettuce outside, and a variety of herbs, tomatoes and basil seeds in the glass houses.

Sarah, who showed us around, explained how to plant different vegetables and we will return to harvest the plants and vegetables later in the year. I loved planting the different seeds in the glass houses and learning how to plant them. I really enjoyed all of the visit and look forward to going back in May. Thanks to Miss Middlebrook, Mrs Fogg, Mrs Anderson and Mrs Styrin for taking the children.

### **Stay and Play**

Many thanks to Mr Cawthorne for bringing in a lamb for Stay and Play in Little Owls last week. The children were enthralled and we appreciated the large number of parents who stayed to support.

### **Parent/Teacher Consultations**

A reminder that the second consultation date is this Wednesday 3 April. If anyone has still not signed up then please call at the school office to book a slot.

### **Headlice**

There are still incidences of headlice in school. We would appreciate if ALL PARENTS could check your child's hair, as you should do on a regular basis. If you need any guidance in the detection and treatment of headlice you can contact the School Nurse on 01423 542283. Thank you.
