- Paper copies of the **What's Happening** and **class newsletters** have been sent home tonight

Key Dates

- **Special Mention Assembly** at 2.30 pm

Thought of the Week

"The difference between the impossible and the possible lies in determination"

Tommy Lasorda

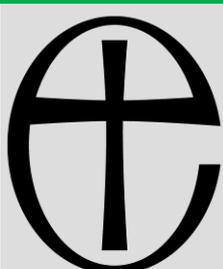

'Monster Mash Party Bash'

This was held at the end of the Spring term to celebrate our maths problem solving skills. A great time was had playing party games indoors and outdoors, eating cake and taking part in our feast! Maths Monster opportunities will continue for all the children who have not yet had a turn. Thanks to Mrs Fogg for organising this.

Eco Fashion Show

To launch our Eco topic, "**What does it mean to be global?**", we held a fabulous Environmentally Friendly Fashion Show which involved stunning creations, strutting the cat walk, lighting engineers and the paparazzi! All creations were made from reused materials. Thank you for helping your child participate in this event – some of their creations are currently on display in the entrance hall.

THE CHURCH
OF ENGLAND

A New Face in the Office

As the school continues to grow we have been recruiting for extra hours of admin time to support the fabulous Mrs Shaw. After a formal recruitment process I am pleased to announce that we appointed an internal candidate; Mrs Maria Styrin. During the summer term Mrs Styrin will be working in the office with Mrs Shaw each Friday. From September she will be working Thursdays and Friday as Mrs Shaw will work Mondays to Thursdays. Mrs Styrin

will continue in her Teaching Assistant role on the other days of the week.

Is This Ours?

A child's pushchair, doll and first aid kit box have been left in our entrance porch for a few days. We are presuming that they are toy donations for Little Owls but would like the owner to confirm this to school. We would not like to take them if they are simply forgotten. Many thanks.

Club Attendance

We remind all parents that they must advise school if their child is not able to attend a club one week. This is a matter of safeguarding, so that all club registers are correct and we are not looking for a child who has been picked up by a parent. Thank you.

Year 6 SATs

We wish our Year 6 children all the very best for their SATs which take place next week – everyone has worked very hard to give themselves the best chance of success.

Movie and Popcorn

Mrs Fogg and the Friends of Hambleton School (FOHS) are organising a couple of social events for the children after school next week as follows:

- **Thursday 16 May** 3 pm to 4.30 pm Movie Night for Little Owls, Elf Owls and Barn Owls
- **Friday 17 May** 3 pm to 4.30 pm Movie Night for Barn Owls, tawny owls and Eagle Owls

The cost is £3.50 per child which includes the film, popcorn and drinks. Please support these events as the Friends work very hard and are currently raising vital funds to provide new IT equipment which all the children will benefit from.

Children should bring in their money and sign up on Monday or Tuesday morning please in order that FOHS can cater for the correct number of children at each showing.

Young Leaders – Christian Aid

"For my young leaders I am taking part in a sponsored walk across the Humber bridge tomorrow (11 May) for Christian Aid. Please let me know if you would like to sponsor me. Thank you."
