## Thought of the Week

*John Maxwell Edmonds*

**Democracy**

**Rule of Law**

**Individual Liberty**

**Respect & Tolerance**

## British Values

Today, each class has explored at least one area of 'British Values' in school. We believe that these values are particularly important in our turbulent and divisive times. We aim to investigate and embed these areas in all of our children and they fit well with the values of our school **Christian Vision** (see below). I spoke to Tawny Owls who had been learning about tolerance and individuality. Madeleine: "We looked at some British Values – stay calm and be British!"

Jack: "We played some games to find out what was important to us, we talked about what makes us, us".

Jasmine: "We were also thinking about what we could do to help others".

## More Choice for School Lunch

From our letter before half term, you'll be aware that a jacket potato option is now available as a school lunch from Monday to Thursday (with a choice of tuna, cheese or beans filling). There will also be a panini option on Fridays. Take up for these dishes has already been excellent and my thanks to Mrs Pipes, our cook, for broadening the options available to children. It was paninis today and Harrison enthused "It's delicious!" Zachary commented "It's cheesy" and Sophie said that she enjoyed hers "I will have it again next week".

## Flu Immunisations

Reminder that these will take place on Friday 22 November for all those children whose parents have completed the online consent.

### **Children in Need**

Next Friday, 15 November, is Children in Need. All pupils are invited to support this worthy cause by wearing non-uniform. Spotty clothes would be great, but please do not buy anything specially. To celebrate the day, and keep ourselves fit, the children will be taking part in a Joe Wicks Children in Need workout – see below. We ask that a small donation is brought into school for Children in Need. Thank you for your support.

### **Maths Passports!**

Please check your child's bag today as it should contain their Maths Passport as well as an explanation of how it should be used. We're aiming to further boost our maths achievement by enlisting your help with your child's mental maths! Once you've received the Passport, please feel to contact your child's class teacher with any questions. Thanks to Mrs Fogg for developing these exciting documents.

### **Reminder: Parent/Teacher Consultations**

Parent/Teacher Consultations begin on Wednesday 13 November for all year groups except Year 6 and Tuesday 19 November the following week for all year groups. Year 6 also have consultations on Wednesday 20 November.

### **Reminder: Pumps**

Please ensure that your child has a pair of pumps to wear indoors. These must be clearly named. We understand that some of the children periodically mislay their pumps in school, particularly when swapping between morning and afternoon classes in KS2, and we are looking at ways to help the children with this.

### **Community Remembrance Event – Monday 11<sup>th</sup> November**

All members of the community are invited to attend an informal Remembrance service led by Janys Cliff at the War Memorial from 10.45am on Monday morning. Mrs Parkin and group of Year Five children will be attending.
