\*\*\*\*\* **WE ARE A NUT FREE SCHOOL** \*\*\*\*\*

## Communication

For the time being please can all communication be made by email or telephone.

## Health & Safety

Thank you very much to all parents and carers for the very swift response to our request for face coverings at drop-off and pick-up. Also, thank you for your continuing punctuality and for keeping your children closely supervised, this greatly helps our safety measures. It remains the case that we have had no positive test results among pupils or staff at Hambleton. If this did happen we would quickly communicate with the families of any children needing to isolate, as well as writing to all other parents to let you know. **Please make sure that we always have up-to-date contact details for you.**

## Science in Year Six

School Christian Value - **Teamwork**

Year Six have been investigating electricity in Science – learning about series and parallel circuits. They are starting to link their circuits learning to work in DT to design a fairground ride!

*'Two are better than one, because they have a good reward for their labour. If either of them falls down one can help the other up. But pity anyone who falls and has no-one to help them up'.* Ecclesiastes 4:9,10

## Thought of the Week

We are all different, but there's something kind of fantastic about that isn't there?

*Roald Dahl*

## Talk for Writing in Little Owls

School Christian Value – **Creativity**

Like all of our classes, Little Owls have been using a text map and actions to learn a text; theirs has been Goldilocks and the Three Bears. The version of the text they learn will have age-appropriate grammar and they have then gone on to 'innovate' the text to make their own changes and understand the impact their changes would have on the rest of the story. Little Owls have introduced pirates and a shark as well as learning a rap to the story!

### Netball in Tawny Owls

Tawny Owls have been honing their netball skills with coach Cinar in recent weeks! Whilst there is considerable pressure on curriculum hours at the moment because of time taken over hygiene measures and the need to catch up on core curriculum areas, we recognise how important exercise is to our children's wellbeing and fitness.

### Wise Owls

Our Wise Owls celebration collective worship is now a virtual meeting, bringing school together on Zoom. Winners in the last two weeks were as follows:

Friday 2 <sup>nd</sup> October	Friday 9 <sup>th</sup> October
Elf Owls: Reggie	Elf Owls: Jayden
Barn Owls: Elliott	Barn Owls: Phoebe
Year Three: Indie	Year Three: Dylan
Year Four: Lola	Year Four: James D
Year Five: Amelia	Year Five: Rory
Year Six: Amber	Year Six: Phoebe

### Maths Masters – Battle of the Bands!

Congratulations to Year Four who were the winners of Battle of the Bands against Year Three the weekend before last. Check that your child has their TT Rockstars access to that they can earn points for their class when their next battle occurs!

### Parent/Carer Consultation Evenings

We know that you will all be keen to find out how your child has settled into their new class and what you can do to help them catch up any lost ground because of lockdown. Face-to-face meetings with teachers will not be possible this term but we are making alternative arrangements for you to speak to your child's teacher. Little & Elf Owls Parent/Carer Consultations will take place before half term with other year groups following shortly afterwards. You will hear from your child's year group about how to make your appointment.

### Hot Lunches

It has been fantastic to have hot lunches back on the menu and we are delighted that there has been such a great uptake. **Please find next week's menu attached to this newsletter.**

### Flu Immunisation - REMINDER

Every child in school is being offered a flu vaccination through the North Yorkshire NHS Childhood Immunisations team. Letters were sent out to all parents on Wednesday advising parents to apply online. Please note that **all consents** need to be uploaded to the nhs flu consent website **no later than Sunday 25 October.**

## Our Christian Vision

We are:

Creative      Resilient  
Truthful      Compassionate  
Respectful      Teamwork
