### Safety - Covid Restrictions

You may well be aware of local schools recently having to close bubbles of children. We hugely appreciate your support in helping us to remain fully open so far. Please keep going with face masks, 2m distancing and queueing to support the children, staff and our community. **Thank you!**

### Healthy School!

See above for making healthy salads in Barn Owls this week – tricky chopping skills needed!

### Related Christian Value: **Resilience**

### Staffing from September

You will already be aware of some staff moving on this term, these are our class teachers from September:

Little Owls: Mrs Savage

Elf Owls: Miss Denison

Barn Owls: Mrs Harpham (Mon-Weds) Mrs Mills (Thurs & Fri)

Tawny Owls: Mrs Collins & Mrs Farmery

Hawk Owls: Miss Middlebrook

Snowy Owls: Miss Reynard

Eagle Owls: Mrs Fogg & Mrs Farmery

Miss Reynard is a new addition to our team and she joins us from a school in Leeds. She writes:

*I am very excited to be joining Hambleton CE Primary School and becoming a part of the Hambleton family. Outside of teaching, I enjoy drawing and yoga, and you will also see me running lots of Yorkshire's wonderful trail routes at the weekends! I am very much looking forward to meeting you all and the children.*

Mrs Mills is well known to us and has worked with most classes in school over the last few years.

We look forward to welcoming both of these teachers to the Hambleton family. The children will spend some time with their new teachers over the next two weeks.

### **Children of Light Art Competition**

The children participated in a 'Children of Light' Art Competition over the last few weeks – aiming to bring joy after the challenges of recent times. The following children were **Hambleton winners in their Key Stages** and their work is displayed in Selby Abbey Deanery (see above). They enter the Diocese Competition to win tea at the Palace with the Archbishop!

## **School Meals**

Please note that there are to be some changes in school meals in the next couple of weeks as follows:

**Thursday 15 July** – ‘Seaside Special’ – Harry Ramsdens fish and chips or jacket potato

**Friday 16 July** – Pasta bolognese or panini

**Monday 19 July** – Whole School Picnic to be enjoyed in class bubbles to celebrate the three members of staff who are leaving

**Friday 23 July** – Sausage and chips with a special cookie. Our Year 6 leavers’ voted for this favourite lunch for their last day at Hambleton School and sausages was the clear winner!

## **FOHS**

Friends of Hambleton School (FOHS) are our dedicated group of parents, led by Chair, Jamie Morrison, who organise social events and raise lots of needed funds for school for lots of essential resources. We are very grateful for all the work that they do which is always carried out with such enthusiasm! Of course, during COVID, FOHS have been unable to hold any events or carry out any normal fundraising. As a school we have really missed this and look forward to events hopefully being able to take place as normal in the next academic year.

**As a little fundraiser FOHS are organising a Wear Something Happy Day. On Friday 23 July** (last Friday of this term) all pupils are invited to wear something that makes them happy. They do not have to wear school uniform on this day. A minimum donation of £1 is requested and should be paid using ParentPay.

## **Summer Reading Challenge**

### **“Go Green with the Summer Reading Challenge 2021!”**

Children can once again sign up for the Summer Reading Challenge at their local library during the holidays. This year the theme is Wild World Heroes and is all about nature and looking after the planet.

The challenge is to read six library books of their choice and collect special stickers and other prizes along the way – everyone who finishes will receive a limited edition Wild World Heroes medal and a certificate. Any child aged 4 to 11 can join in and the challenge runs from Sat 10<sup>th</sup> July until Sat 11<sup>th</sup> Sept.

There will also be a fantastic programme of online activities to go with the challenge – whilst there will be some pre-recorded activities available on the @nycclibraries Facebook page, many of the activities will require bookings to be made via eventbrite (please refer to attached flyer). Some libraries may be able to have events in the library, depending on Covid restrictions – just ask at your local branch.
