COVID Health & Safety Reminder

Please refer to our separate letters (emailed Wednesday) on updated COVID information. We are working really hard at trying to keep everyone safe and keep school open. Thank you for your continued support.

Parents and carers have been very quick to let us know when children have COVID symptoms, and to get the children and other household members PCR tested – thank you for supporting us with this. If a member of your household tests positive, we strongly recommend that you also get your child/children PCR tested.

Fortnightly Safeguarding Update – Anti- Bullying week 2021

All classes held an Anti-Bullying Week this week as Sylvia and Aaron report:

Sylvia

Anti-bullying week is when we learn all about how to stop bullying behaviour from happening and how to help ourselves when we face difficulties. Bullying behaviour makes everyone sad and can affect anyone, from young children to adults. It is a time to think about how to be kind, show compassion and respect to all. It is a

time to think about how we can be helpful towards others and support our friends. We are all 'one of a kind' and unique so we should celebrate and be proud of our differences.

The motto 'one of a kind' is a special way for us to remember that one act of kindness can create happiness.

Aaron

We all wore odd socks on Monday to show the start of Anti-Bullying week 2021 – and a few of my friends have worn them all week! We learnt about the ways to stop cyber bullying and what to do if others or ourselves need help. We made posters about 'Internet safety' to put around the school so we can help everyone be safe online.

REMINDER – All children should have a pair of black, pumps which are kept at school so that they can be worn on a daily basis in school. **Please name these, as pumps are misplaced very regularly and children will often not recognise their own pumps without a name in.**
