Firstly...a great big THANK YOU to all our parents and carers for your support with COVID measures this half term! We greatly appreciate your vigilance on symptoms and testing and it has definitely helped to keep our number of cases relatively low. It's possible that measures around isolation and testing may change after half term, but at the moment we have no information on this – we'll let you know when we do.

I hope you and your families have a safe and happy half term – particularly engaging with our World Book Day activities, see below!

World Book Day Events!

We are really excited about World Book Day this year as we are going to be inviting all children to participate in a sponsored read, a competition for the best book review **AND** children will be invited to dress up as if they are going on a journey! All the information has been sent out by email earlier in the week and paper copies were sent home with children on Wednesday with the basic information. We can't wait to see how creative the children can be with their dressing up ideas and look forward to reading some fabulous book reviews. Thank you

parents/carers for your support with this fundraising event!

Tawny Owls have worked together to produce this fantastic bit of whole-class art exploring our Christian Value of the half term. It's up in our entrance hall for all the children to see.

Christian Value of the Half Term: **Courage**

What's been going on in school this week?

See below for a sample of the exciting learning going on in school on Wednesday afternoon this week. Elf Owls are well engaged with 'Busy Learning' in their provision areas! Tawny Owls are planning out their programming in Computing. Snowy Owls are filming and Hawk Owls are researching, planning, making, eating and evaluating their pizzas in DT! Barn Owls are doing PE with Coach Cinar. There are always Little Owls children busy at their fabulous, brand new mud kitchen and digging area, kindly built for us by a friend of the school.
