Thank You!

A huge thank you to all parents and carers for your support and encouragement during this weeks Ofsted Inspection. We are not able to say anything about the outcome until a process of 'quality assurance' has taken place (this may take around a month). After that we will share the final report with you.

Big Garden Birdwatch long weekend is here! There's still time to sign-up and take part. Just spend one hour between Friday 28 and Sunday 30 January counting the birds, and help monitor how birds are faring. It's free, fun, and a great way to keep an eye on your local wildlife. Wherever you are, whatever you see, it counts!

Mrs Farmery reports: The Big Garden Birdwatch is this weekend! From today until Sunday 30th January, you can help the RSPB gather data on British bird species in our part of the world. Eagle Owls, armed with binoculars and clipboards, have taken part on our school grounds today, even spotting a pheasant! It's a wonderful way to spend time together, only takes an hour, and encourages to appreciate our wonderful nature around us. Science and mindfulness...fantastic! It's easy to take part and record your findings online:

Linked School Christian Value: Teamwork

'Two are better than one, because they have a good reward for their labour. If either of them falls down one can help the other up. But pity anyone who falls and has no-one to help them up'. Ecclesiastes 4:9,10

You've done it! We hope you enjoyed the Birdwatch – check out your top 10 birds below and compare them with the nationwide results so far.
