The Healthy Schools Silver Award!

We are delighted to announce that Hambleton has achieved the Healthy Schools Silver Award. We have focused upon the areas below, creating plans and carrying these out to develop these aspects of our school community.

- The Emotional Health and wellbeing of our pupils
- The Personal, Social and health education of our pupils
- Staff wellbeing

At Hambleton, we encourage children to make healthy choices; we provide pupils with a number of opportunities (during the school day and extra-curricular) to be physically active; and, we aim to raise awareness of mental health, focusing on ensuring our pupils feel happy and safe in school. By raising awareness of mental health and wellbeing as well as physical health, our pupils gain the motivation, confidence and self-respect to make healthy life choices.

Additionally, the benefits go beyond health - we know that when children are healthy and happy at school, they can and will achieve more.

The 'Healthy Schools Silver Award' recognises and celebrates that Hambleton CE Primary School is making a difference to our children's health and wellbeing.

We are currently working towards our Gold award which we hope to achieve by the end of this academic year. Our thanks to Mrs Fogg for leading this exciting work.

Free Music Sessions

Selby Music Centre would like to invite children who have started to learn a musical instrument to our Saturday morning sessions at Selby High School. We are offering you a FREE term of music sessions after Easter and we plan to hold a performance in Selby Abbey in July. Our junior groups meet between 9.30 and 10.45 and they are a great way to build musical confidence and to make new friends. We offer a strings group for violin, viola and cello, a guitar group and a junior band for woodwind, brass and keyboards. Places are subject to availability.

There may also be opportunities for new starters to begin learning an instrument. Please let us know which instrument you would like to try and we will let you know if a place becomes available.

Please contact Helen Moulds to express an interest.
