Walk to School Week Success!

Thank you very much for supporting this weeks very successful Walk/Scoot/Cycle to School Week. We had a fantastic start to the week with an appearance from Spike the hedgehog from Modeshift Stars to promote road safety and car-free travel to school. The Eagle Owls Young Leaders also led fun sports activities throughout the week. We've been delighted to see how many families have embraced walking, scooting or cycling as a family and we've certainly seen less traffic at drop-off and pick-up times. We hope you've appreciated the health and social benefits and that many of you will continue to travel to school in this way. We'll have another similar week in the next half term. Thank to Mrs Fogg for organizing this super event!

Thought of the Week

Be kind to one another,
tender-hearted,
forgiving one another,
as God in Christ
forgave you.

Ephesians 4:32

Linked School Christian Value: **Teamwork**

"Two are better than one, because they have a good reward for their labour. If either of them falls down one can help the other up. But pity anyone who falls and has no-one to help them up". Ecclesiastes 4:9,10

Little Owls Out And About!

This week the Little Owls team have been out exploring the village, looking for signs of Spring. In keeping with the road safety theme they have also been learning how to safely cross the road!
