

HAMBLETON CE SCHOOL: Snowy Owls

TEACHER / PARENT LIAISON w/c: 19.09.16

Learning Overview;

Literacy – Imitate – This week we will be imitating a story in a place that we have visited. Children will be sent home with a copy of this. Please can you help your child to learn this text (we will also be learning it in class). They may draw a text map to accompany this, but it is not compulsory.

Spellings – We will be working on learning and using the spellings from Word List 1 on Spellodrome this week. Please can you encourage your child to practise these.

Maths - .We will be continuing to develop our mastery of place value in numbers up to 10,000 by comparing and ordering them. Please can you practise times tables ready for the weekly Times Tables Challenge.

Topic – We will be having an exciting visit from Mr Turner from Trimble Agriculture to show the children the latest technology used in modern agriculture! I hope that the children will gain a lot from this experience.

Other notes – W.O.Ps will resume next week after our class talk. Please can children bring full P.E kit in at the beginning of each week and to bring their water bottles on a daily basis.
