Ancient Greek City states

Ancient Greece was not a country. It was made up of city states. There were often battles between these city states but sometimes they would join together to defend themselves from a common enemy. Important city states of ancient Greece included Athens, Corinth and Sparta.

Alexandra the Great's Empire

Independent city states existed for most of the ancient Greek period. However, towards the end of this period, King Philip II of Macedonia ruled over all of ancient Greece. Following his death, his son, Alexander the Great, took over the empire along with other lands that he conquered. After Alexander the Great died, the Romans slowly took over parts of the empire.

Enslaved people in Ancient Greece

There were many enslaved people in ancient Greece. They made many objects and goods to be sold. Many ancient Greek pots that survive today would have been made by enslaved people

Ancient Greek Gods and Goddesses

The ancient Greeks believed in many different gods and goddesses. Each god/goddess represented a certain aspect of humanity and each was responsible for certain parts of life too. • Festivals were held to celebrate the gods and goddesses. It is believed that the 12 most powerful gods lived on Mount Olympus. • Zeus was the most powerful of all the gods. He was god of the sky and the king of Mount Olympus.

Myths

The Trojan War is a very famous ancient Greek myth. • Many people believe that it is a myth but that there is some historical truth behind it. • The Trojan War was between the Greek and the Trojan Armies. • In the story, the Greeks pretended to surrender, leaving a gift of a giant horse for the Trojans. The gift was brought inside the city walls. During the night, Greek soldiers hiding inside the horse let the Greek army inside Troy's walls and the city was destroyed.

The Olympics

The Olympics were first held in ancient Greece in 776 BC. This is one of the legacies of ancient Greece. Events included boxing, wrestling, running and chariot racing. Women were not allowed to compete in the Olympics. This was because ancient Greek women were not treated as equals to men and had fewer freedoms. The idea for the marathon also originates from this time.

The Spartans and the Athenians

Much of what we see of the Spartans on television and in films is based on myth and does not present the Spartans accurately. The Spartans were known for their strong army and ability to fight. In childhood, boys were trained to be warriors. Girls were taught academic subjects and how to fight. The Athenians were known for their cultural developments and learning. Girls did not go to school but many were taught how to look after the home and family.

Democracy

Ancient Athens is where democracy began in around 508 BC. Listening to the opinions of other people and debating issues was an important part of this system. After debating issues, the ancient Athenians would vote. At that time, the only people allowed to take part in democracy were adult males who were citizens of Athens. The legacy of democracy still exists today in many parts of the world.
