Nuts and peanuts or any products containing nuts or peanuts are NOT allowed in our school.

Heads Up

Remember to bring in an ORANGE on Friday 27 November for Christingle

Thought of the Week

"With the new day comes new strengths and new thoughts." Eleanor Roosevelt, Former First Lady of USA

THE CHURCH OF ENGLAND

Children In Need

A huge thank to everyone who has already donated on ParentPay to Children in Need. The children looked fabulous in their Pudsey clothing and ears, and spotty/normal clothes. The donation will be left open a little longer for any further contributions and we will let you know in due course how much we raised as a school.

Linked School Christian Value**: Compassion**
'Finally, all of you, be like-minded, be sympathetic, love one another, be compassionate and humble'.
1 Peter 3:8

Remembrance Day

After a Remembrance Day Collective Worship at school, four children from Snowy Owls walked down with Mr Williams to the village Act of Remembrance on the green on Wednesday. The children were fantastic ambassadors for school, doing a reading and laying wreaths. They had lots of positive praise from members of the community for their mature and respectful involvement.

Year Six Residential

A dispatch from our Eagle Owls children who are currently on residential at Robinwood Activity Centre: *Another great day of fun, laughter, adventure and new challenges. First thing, the children were canoeing on the beautiful lake at the very top of the castle.*

The children then carried out challenges in the dungeons to gather all the mystery items so they could actually escape the dungeon where the ghost of Dora Castle dwells!! A quick drink and snacks and then on to the zip wire. The children thoroughly enjoyed this and zoomed down the line, throwing bean bags at target, dancing and trying to land on their feet at the end.

Then amazing towers were built in the crate challenge and children and crates came flying down, all very safe of course! Team challenge events to follow. The children are happy, warm and having an amazing time, showing compassion, teamwork, resilience and super problem-solving skills.

Pastures Visit

Children from school have been getting ideas about the careers they might one day take up during a visit to a local residential development.
Banks Homes welcomed 24 Year Six pupils to the site of its new Pastures development off Gateforth Lane for a behind-the-scenes tour of the site and a range of demonstrations of the work that's going into building the 60+ new properties.

Hosted by site manager Vinny Hardcastle and assistant site manager Stuart Handy, the visit covered all the different aspects of the site's development and finished with some group activities at the development's Customer Centre, including a quiz on what the children had seen and the chance to build and knock down some giant Jenga walls. Our thanks to Banks Group for arranging the visit and to Mrs Waterton and Mrs Fogg for taking the children.

Safeguarding – North Yorkshire Police: Report a crime
If you've witnessed or been the victim of antisocial behaviour or domestic abuse, the link below can be used to report a crime. **In an emergency, always call 999.**
