OF ENGLAND

NUT FREE SCHOOL

Please remember that we are a **NUT FREE SCHOOL** as we have pupils in our school who have a severe nut allergy. If they were to come into contact with nuts, this could be life threatening. All packed lunches must be nut free, therefore no nutty bars, bread containing nuts and sandwich fillings such as Nutella or peanut butter.

We ask that parents read all labels as nuts do appear in many items that we would not imagine contained nuts. Any foods thought to be containing nuts will be removed and safely discarded by a member of staff. This can be upsetting for those pupils.

We are Compassionate

Finally, all of you, be like-minded, be sympathetic, love one another, be compassionate and humble. | Peter 3:8

Hambleton CE Primary School has had a busy and exciting half term. Thank you for your continuing support and the encouragement given when helping your child/children with their home reading and learning. Our 'Maths Monster' and 'Reading Rebel' Books, shared with the whole school during Friday Wise Owls Worship are filled with amazing learning and fun activities. The children love celebrating their ideas with everyone.

Healthy Packed Lunches and Snacks

Please note that the only mid-morning snack that should be sent into school is fresh fruit and vegetables. **NO** yoghurts, crisps, chocolate or cereal bars, cheese dunkers, sweets etc etc Packed Lunches should not contain chocolate bars or sweets. Staff will remove these items if brought into school. Thank you for your support in keeping all our children healthy.

Bakes, Buns and Biscuits Stall

Many thanks to everyone who baked, sold, bought and ate the delicious cakes on offer at our very first ever 'Bakes, Buns and Biscuits' stall last Friday.

A terrific £ 99.62 was raised towards playground equipment! Thank you from everyone in Eagle Owls.

A reminder that our next 'Bakes, Buns and Biscuits' stall will be held on Friday 24th February by Snowy Owls.

Young Voices

On Thursday 9th February, children from 'Vibrant Voices' travelled to the Utilita Arena in Sheffield to take part in the 2023 Young Voices concert, along with 1000s of other school children, to form one huge choir.

A massive well done to all the children that took part. The children were a credit to Hambleton Primary School and absolutely sang their hearts out. All of the practising certainly paid off. I would like to thank the staff who facilitated the visit - it was a very late night and I appreciate you giving up your time.

Mental Health Week

For Mental Health Week the children of Hawk Owls have secretly prepared a 'Flash Mob Dance', practising it daily ahead of the big reveal today during Friday morning break! They had everyone smiling and hope that everyone remembers their message which is 'we can work together to look after our wellbeing'.

As part of the 'Hambleton Gold Young Leaders Award, Jonquil, Jessica, Millie and Amelie in Eagle Owls split into pairs and tied their legs together (became three-legged) as part of a 'Healthy Minds Wellbeing Event.'

Jonquil Said:

The funny bit happened during collective worship when Jessica was awarded the class wise owl and of course both of us had to go to the front to receive it as we had become three-legged for the day! It happened again because Amelie had the Maths Monster and there were a few giggles!

Active Club

Many children from Eagle Owls are leading the 'Active Club' that involves organising team games with KS1 children during playtimes. A fun time is had by all and we are so proud of the compassion, leadership skills, teamwork and high energy that our 'Active Club Leaders' are showing!

The School Gates

An email was sent out yesterday regarding our school gates and we just want to remind you all that for safeguarding reasons, parents/carers should not be entering the school grounds in cars or vans to pick children up or drop children off at school, Playsafe or any after school clubs.

This has always been the case and is for the safety of all our children. Even if the gates are open then parents/carers should not be entering the grounds in their vehicles. The car park is for staff and educational visitors only.
