Heads Up

Little Owls cake sale to take place Friday 14 July (next week)

Stamps

All stamps without bar codes should be used by 31 July as they will no longer be valid after that date.

Crossing Patrol

Our Crossing Patrol Officer is back on duty which is great news for people trying to cross the busy main road

Thought of the Week

'To climb steep hills requires a slow pace at first'

William Shakespeare, Poet and Playwright

THE CHURCH OF ENGLAND

We work as a Team

Two are better than one, because they have a good reward for their labour. If either of them falls down one can help the other up. But pity anyone who falls and has no-one to help them up. Ecclesiastes 4:9,10

Inclusion Day

For our annual Inclusion Day, each class researched and learned about different conditions or disabilities. Little Owls learned about themselves and how we are all different, Elf Owls explored Autism, Barn Owls looked at Dyslexia, Tawny Owls researched ADHD and Hawk, Snowy and Eagle Owls discovered all about Down's Syndrome, Cerebral Palsy and Achondroplasia (a form of Dwarfism). As part of our day, we created art work to represent our understanding each super-power and many classes explored the school grounds and considered how adaptations could be made to make our school an environment where everybody is welcome and can thrive. Thank you to all teachers who planned especially thoughtful and inclusive learning.

Elf Owl Cake Sale

Well done to Elf Owls who raised a fantastic £176.20 by selling lots of delicious cakes, buns and biscuits on their Cake Stall. Once again a huge thank you to everyone who brought some cakes in and to those who bought the cakes too! We hope you all enjoyed a little treat to start your weekend! Our final Cake Stall will be hosted by our Little Owls on Friday 14 July so we are already looking forward to that.

Head Lice

Once again there have been incidences of headlice in school recently. We would appreciate it if you could check your child's hair, as you should do on a regular basis. If you need any guidance in the detection and treatment of headlice you can contact the School Nurse on 01423 542283.

In school we have a few free headlice detection combs. If you would like one then please call at the office. Thank you.

Menu Change

On Wednesday 19 July, we are to hold a whole school 'Leavers' Picnic' for all pupils and staff who are leaving us in July. Mrs Wrigley, our school cook will be preparing picnic grab bags which will include a choice of sandwich, vegetable sticks, sausage roll and tray bake/cake.

Therefore our Leavers' Special Lunch will be on Tuesday 18 July. However our Year 6 leavers favourite lunch which went to a vote is actually hot dogs (!!!) so hot dogs will be served as normal on that Tuesday followed by a special Owl cookie.

It would be great if as many children as possible can take part in the picnic lunch and leavers' lunch.

Sports Week 23

What an exciting and fabulous week it has been for our Sports Week 2023. We scrambled up the climbing wall, defeated the obstacle course, bounced within the inflatable zone, ran a mini marathon, competed in team game events and ended the week with a fantastic 'Sports Day'.

Nicole said: I really enjoyed helping the younger have a go at the fun circus trainee obstacle course and the football. I wish that I could do it again next year.

Eliza said: I loved the climbing wall. I made it to the top and realised how far it was back down. The mini marathon was fun but very tiring!

Amelia said: The inflatable rugby and team games was fun. I loved climbing in and out and bouncing over the sides!

Jasmine: We had to work as a team and even if we didn't win we tried our best and had lots of fun!

Sports Day

Another wonderful time was had by all the children on our annual Sports Day today. Thank you to the parents who cheered and supported their children.

Summer Fair

A huge thankyou goes out to everyone who made our annual summer fair so successful. It was super to see so many people within our community attending and enjoying the games, events and activities.

The Year Six Young Leaders all did an amazing job, each creating their own stall alongside sourcing, designing and making products to sell. These included jewellery, crafty art to purchase, plasticine modelling creations, treasure map hunt, guess the weight game and fruit kebabs to eat.

Josh said: My stall was great because we were able to make our own modelling figures and people bought figures that had been made by myself, Jack, Bobby and Fred two evenings beforehand. We all went to Freddie's house and had 'factory time fun!'

A BIG thank you to Mrs Janik and ALL the helpers that came on board to assist with making the Summer Fair such a fabulous event.

KS2 Performance

Pupils and staff in Key Stage Two have been working hard to rehearse for our

summer production of Peter Pan.

Just a reminder that the KS2 performances are as follows:

Monday 10 July at 1.30 pm

Wednesday 12 July at 5 pm, please can children be back for 4.45 pm

Thursday 13 July at 6 pm, please can children be back for 5.45 pm

All pre-ordered tickets were sent home with our KS2 pupils yesterday.

Howsham Mill visit

Eagle Owls went on a fun trip to Howsham Mill where they learnt all about different sources of renewable energy. The day consisted of a series of fun activities, which included making solar ovens, designing water wheels and camp fire cooking.

End of Year Reports

All reports will be sent out on Friday 14 July.

Reminders

Please can all children bring in a PLASTIC water bottle filled with water only every day. There has been a couple of glass bottles seen at school which could be a danger if broken so plastic or metal are preferred please.

Please remember sun hats each day and apply sun cream each morning to your child/children.
