Heads Up

School closes today and reopens on Tuesday 5 September

Dear Parents/Carers,

Thank you very much for your support and engagement this year. It has been wonderful to see so many of you attend school events and support our fundraising so generously. I hope that you and your families have a lovely summer and we look forward to seeing you in September for another packed year of learning!

Many thanks,

Thought of the Week

Life's truest happiness is found in the FRIENDS we make along the way.

Pencil Cases, Notebooks & Toys from September

We are changing our approach from September so that no pencil cases, personal notebooks or toys from home will be allowed in school. This is to avoid distractions from learning and also to avoid precious items from home being lost. School will supply all the stationery needed. (The only exception with toys will be if your child uses a comfort toy authorised by Mrs Collins). Thank you for your support with this.

Summer Reading Challenge

Online Safety Over The Summer

Please see the attached child-friendly poster about online safety over the summer. School recommends that all electronic devices are used in 'public' spaces (e.g. the lounge or

kitchen) so you can keep talking with your child about what they are accessing or playing. We've reminded the children that our School Christian Values still apply to their online interactions.

National Book Token Competition

Please take a look at this competition from National Book Tokens for our school to potentially win £1000 to help our library resources. The closing date is 31st July. Please follow the link below... the more entries we have, the more chance we have of winning!
