We are Respectful

And as you wish that others would do to you, do so to them.

Luke 6:31

Hambleton CE Primary is a warm and welcoming place, where children are happily engaged in their learning. As we walk around the school, it is great to see enthusiastic children asking questions and showing compassion towards each other.

'Bikeability' training with Eagle Owls

The Eagle Owl children (Group A) enjoyed two full days of 'Bikeability' this week. They were learning about how to stay safe when cycling on roads. The children had to read an information booklet and take part in the 'quiz' before joining the squad. Well done Eagles for the amazing quiz scores – the instructors were very impressed!

Hanya said, 'The best part was when we practised the skills on the road that we had learnt on the playground.'

Poppy said, 'I learnt how to pass a junction and how to pass a parked car safely on the road.'

Oscar said, 'Bluey the plastic cone, who was meant to be a dog, got a little squished by mistake!'

Group B children are excited about their turn next week!

Thought of the Week

"No act of kindness, however small, is ever wasted."
