## Heads Up

No Whole School Assembly on Friday 4 October. It is our Harvest Event for our KS2 parents/carers on this day instead.

## WE ARE A PEANUT and NUT AWARE SCHOOL.

**Nuts and peanuts or any products containing nuts or peanuts are NOT allowed in our school.**

### *We are Compassionate*

Finally, all of you, be like-minded, be sympathetic, love one another, be compassionate and humble.

1 Peter 3:8

Christian Value of the Half Term: **Thankfulness**

*Let your roots grow down into Him and your lives be built on Him. Then your faith will grow strong in the truth you were taught and you will overflow with thankfulness. Colossians 2:7*

## Harvest Events

Just a reminder that it is our Harvest Events next week. EYFS and KS1 are having their Harvest Celebration on Thursday 3 October at 2.30 pm and KS2 are having their Harvest Celebration on Friday 4 October at 9 am. We look forward to welcoming parents/carers in to these events to celebrate with us.

Please note there is no whole school assembly on Friday 4 October due to the KS2 Harvest.

## Build A Burger Special Dinner

Mrs Wrigley, our wonderful cook, is planning a special dinner for our Census Day next week on Thursday 3 October. The special lunch will be Build A Burger, skinny fries, mixed salad and ketchup with Muffin for pudding. It will be great if as many children as possible could take part in this special lunch.

## Book Fair

Our school book fair will take place after school in the school entrance area between Wednesday 9 October and Monday 14 October. Parents and children are invited to come and browse and maybe make a purchase. Why not pop along without your child and buy some early presents for you know what!! All purchases help us to buy more reading books for school.

## Thought of the Week

*"There is always something to be thankful for."*

## **Parent/Teacher Consultation Evenings (Thursday 17<sup>th</sup> & Wednesday 23<sup>rd</sup> October)**

Please note that Parent Teacher consultations are taking place on Thursday 17 October and Wednesday 23 October.

Parents are allocated appointments of no more than ten minutes and we would like to keep to these times in order that we are not running late for other parents/carers. A sign-up sheet will be available from Monday 7 October for you to confirm your preferred slot.

### **Bikeability (Cycle safety)**

This week, the children of Eagle Owls have taken part in bike safety sessions covering two days.

Ivy said: We had to do a snake manoeuvre where all the bikes got in a line and someone was chosen as a leader. I really enjoyed going on the bike ride all the way around Hambleton.

Annabelle said: It was really enjoyable and the instructors made it exciting. The 'Tunnel of Doom' was fun. This was when we had to go in and out of the cones and they got tighter and tighter (closer and closer together) until everyone was out when our tyres hit the cones!

Molly said: The coaches made anything that was hard seem exciting. The U-turns were extremely hard... but we all got there in the end!

### **Individual and Family Photographs**

Please remember that individual and family photographs will be taken by Rose & Son Photographers next Thursday 10 October. Anyone wishing to have a portrait done of a family group including younger siblings (not yet school age) should come to the school entrance from 8.30 am.

### **Young Leaders Workshop**

An email was sent this afternoon detailing a new Workshop hosted by our Young Leaders. It is an Autumn Art workshop and will take place on a lunchtime. Please see the letter sent out to Years 1 – 6 for more information.

### **Head Lice**

Once again there have been incidences of headlice in school recently. We would appreciate it if you could check your child's hair, as you should do on a regular basis. If you need any guidance in the detection and treatment of headlice you can contact the School Nurse on 01423 542283. We also have a few free headlice detection combs in school. Please call at the office if you would like one. Thank you.
