How has FOHS fundraising enriched Hambleton students' learning?

- Science week activity: Cosmo Dome
- Theatre Visit Yr 5: Horrible Histories
- Class Set of Glockenspiels
- Subscriptions to beneficial supplementary learning resources including Accelerated Reader and Times Table Rock Stars

AND...

- 15 BRAND NEW CHROMEBOOKS for use in class and for additional STEM activities (15 more planned for next year!)

WHAT NEXT FOR FOHS??

The current group members will continue as volunteers through 2025-26 school year, but some won't have children at the school – we would love NEW MEMBERS to join us so that FOHS can continue in a strong position as people leave the group in the future! We're a friendly bunch and we all just want the best for the school and its students... SO JOIN US!! Email: FOHSPTA@GMAIL.COM

Our aim will be to continue to provide an interactive Science Week activity and a Theatre Trip for Yr 5 every year from now on. The FOHS team loves to be able to organise and offer things that the school would otherwise not be able to provide; we believe that activities and trips to boost the children's imaginations are really important to enhance their learning experience. Through the fundraising events we hold, these two things are a priority for us. We will also continue to ensure AR and TTRS access for students, provide bookbags for our new starters and pay for the little extras like crackers at Christmas dinner!

The major cost for 2025-2026 fundraising will be purchasing the final 15 Chromebooks to make it a full class-set. It was agreed the first 15 Chromebooks should be ordered – no point in all that money just sat in the account!

FINALLY... WE COULDN'T DO ANY OF THIS WITHOUT YOUR SUPPORT. WE APPRECIATE EVERY OFFER OF HELP, EVERY EVENT ENTRY, EVERY BOTTLE DONATED AND EVERY SNACK BOUGHT – THANK YOU ALL FOR GETTING INVOLVED!!
