

The toilets were interesting as they were composting ones and well ventilated - airy! We ate marshmallow, biscuit and chocolate smores around the camp fire. They were delicious!

Fathers' Day Lunch

We hope that all the fathers/grandfathers/male carers that attended Fathers' Day lunch on Wednesday enjoyed their meal.

Mrs Wrigley, our fabulous cook served over 260 sausage lunches which is amazing. Thank you to all those parents/carers who came to the special lunch for Fathers' Day.

Girls Football Tournament

Yesterday, a group of Hawk Owl children took part in a football tournament which involved many schools from the local area and York. The team were super stars and showed great resilience - even coming from four nil down at half time to draw the match. The team were in first place overall – fantastic news!

Fun Swimming Session

The Eagle Owl children had a 'fun and games' swimming session. The Selby pool staff commented on what a well behaved and sensible bunch of children they are – well done Eagle Owls!

DEFRA & Soil Association Visit

This week school hosted a visit from five representatives of DEFRA & The Soil Association. We were selected by North Yorkshire Catering because of our strong catering team, record of achieving nutritional standards and being a Gold Award Healthy School. The visitors met with our leadership team and caterers with the aim of gathering information on how all of our food is cooked fresh on the site, sustainably sourced and meets Food for Life Served Here (FLSH) standards – as well

as being delicious! The team joined us for a school lunch with the children and made a point of saying how inquisitive and well-mannered our children were!

If your child doesn't currently have school meals and you would like them to, please contact the office for more information and a menu.

Tree-Planting at St Mary's

Church law dictates that when an old tree is felled in the grounds of a church it must be replaced with a new one, so this week our four senior Worship Warriors walked to St Mary's to help plant a new cherry tree, with the aim that the children would be able to see it thrive over the years. The tree can be seen opposite the front door of the church.

Reminders

As the weather is changeable at the minute, please remember raincoats if it is forecast a rainy day and sunhats and suncream on those sunny days. Always remember to send a water bottle for your child every day (filled with WATER ONLY) and a pair of black pumps are required in school too.
