Heads Up

Don't forget your decorated eggs for the Egg competition on Tuesday 1 April

WE ARE A PEANUT and NUT AWARE SCHOOL.

Nuts and peanuts or any products containing nuts or peanuts are **NOT** allowed in our school.

We are Compassionate

Finally, all of you, be like-minded, be sympathetic, love one another, be compassionate and humble.

1 Peter 3:8

Our Christian Value of the Half Term - Justice

'Do to others as you would have them do to you' - Luke 6:3

"Be just & merciful & brave." – CS Lewis

Comic Relief

Thank you for your generous support of Comic Relief Day 2025. The children looked great with splashes of 'red' throughout the school. Your contributions will make a real difference to those in need.

Thought of the Week

"The very first Easter taught us this: that life never ends and love never dies."

Kate McGahan

Mothers' Day Lunch

Reminder it is our Mothers' Day Lunch on Wednesday 26 March. We look forward to welcoming those parents who have booked in for this special lunch time to share with their children and enjoy a delicious dinner.

Hawk Owls Cake Sale

It is the turn of our Hawk Owls to host the Cake Sale next Friday, 28 March. We look forward to seeing all the lovely homemade and shop bought cakes,

biscuits and buns brought in by the Hawk Owls. Please remember your cash on that day to buy some of the delicious treats for on your way home.

Netball

Yesterday a team of Eagle Owl children represented the school in a netball tournament at Selby High. Our children demonstrated the school values of teamwork, respectfulness and resilience. Their 'fair play ethos' and compassionate towards each other and towards other schools was commented on by the organiser of the event. The team competed against many other schools in the district area and came overall third, which is a fabulous achievement, especially for our size school. Well done team!

Community Art Gallery

We would like to invite you to our Community Art Gallery on **Tuesday 1st April**. Please come and support the children at this absolutely stunning event which will be held in the Primary School hall, starting immediately after school.

To raise money for the school, you can also buy your child's masterpiece (Payment on Parentpay). Refreshments will be available to purchase from the FOHS stalls during the event.

We hope you will enjoy the Community Art Gallery and help raise funds for the school! We know you will find it hugely enjoyable, be amazed at the fantastic masterpieces on display and be very proud of your child's achievement.

Easter Decorated Egg and Egg Rolling Competitions

We couldn't possibly reach Easter without Hambleton's very longstanding egg rolling and egg decorating competitions!

The Decorated Egg Competition will be held on Tuesday 1 April. On this day, your child can bring in their entry of an excellently decorated hard boiled egg. Judging will take place on Tuesday and we'll send the eggs home on Thursday.

The Egg Rolling Competition

Our amazing Egg Rolling Competition will take place on Wednesday 2 April. There is no need for your child to bring in an egg as we will be using the more sustainable plastic eggs we used last year in an effort to reduce waste. Less of the eggstraordinary waste and more eggcitement!

Easter Lunch

Wednesday 2 April is also the date for our Easter Lunch. Our fabulous cook Mrs Wrigley is planning a special Eggstravaganza Easter lunch of Roast Chicken Dinner with Yorkshire Pudding or a Veggie Quorn alternative and an Easter Chocolate Nest. We would love as many children as possible to take

up on this meal and enjoy it together.

Astrodome Planetarium – Science Week

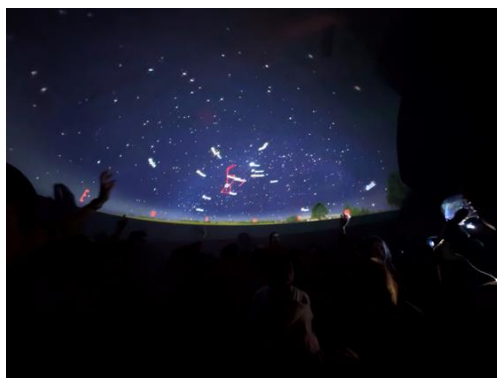

We were really lucky, courtesy of FOHS to have some visiting physicists from the University of York with the Astrodome. Every class had the opportunity to immerse themselves in a trip to outerspace and the night sky with expert knowledge from the scientists.

Connie said: *It was interesting to learn that the Black family from Harry Potter are all named after stars in the night sky, like Sirius Black.*

William said: *There is a planet called Sagittarius and that is where our zodiac signs come from.*

Eva said: *Sometimes you see different zodiac star signs in the different seasons of the year.*

Matthew A said: *Mars has two moons named Deimose and Phobos. Mars in Greek mythology is Ares, who has two sons called Demose and Phobose. These are the most well known sons of Ares.*

Little Owls Hough visit

On Tuesday Little Owls went on a walk up to the Hough where they spotted things in the landscape and looked for signs of Spring.

Mothing Sunday at Church

Mothing Sunday will be celebrated at the village church, St Mary's, at 3:30 pm on Sunday 30 March. They would love you to join them for a short family service followed by posies, Prosecco and cake. Come and celebrate!

Close for Easter

Please note that we close on Friday 4 April for the Easter Break. We reopen on Tuesday 22 April and would like to wish you all a lovely Easter celebrating time with your families.

A Message from Mrs Seager re 1st Hambleton Rainbows

1st Hambleton Rainbows will have spaces in the Summer term for any girls aged 4-7.

To find out more about Rainbows (the youngest members of GirlGuidingUK) please follow this link [Rainbows \(4-7\) | Girlguiding](#)

If you would like to register your daughter, please follow this link: [Register a child | Girlguiding](#)

We meet in term times and have loads of fun!

Cricket

Would you like your children to try a new sport? From May, Hillam and Monk Fryston Cricket Club will be running the national All Stars Cricket (age 5-8) and Dynamos Cricket (age 8-11) designed by the English Cricket Board. The 8 weeks of fun filled action costs £50. Dynamos will start on Fri 9th May at 18:30 and All Stars from Friday 9 May at 18:00. Booking is open now via allstarscricket.co.uk or dynamoscricet.co.uk.

They also have U9, U11, U13 and U15 teams in the York & District Junior League. They have a fantastic mix of girls and boys playing in exciting, engaging and safe games with fully trained, DBS certified coaches. Cricket is an excellent all-round sport and there truly is something for everyone across fielding, batting and bowling. Don't worry if you've never played before; everyone is welcome and skills coaching is given at every level. Players are rotated equally and there are many opportunities for development but above all, it's about enjoying the game. The U9 to U13 teams also practice on Friday nights, so if you have children across a range of ages, why not bring everyone down.

Please see the attached poster too.
