Derek the Dragon has been left to look after the dragon eggs. It's his responsibility. There's only one problem... Derek isn't very responsible and the whole hoard of eggs is missing! Have fun, play together, and leave with new ideas and games to explore your families favourite stories back at home.

Ursa Mama and her starry cub, Little Bear, are two gentle bears visiting Junction as they travel across the night sky. Accompanied by sweet music, they love to meet people, enjoy being stroked and played with, but spend time together playing!

WHAT IS TAKEOVER FESTIVAL?

Each year **Junction Goole** works with students from a different primary school, to create a wonderful and accessible festival for all to enjoy. Our **Young Producers** this year, have decided to theme their festival *family footprints*, celebrating family in whatever shape or form that takes.

The bespoke line-up of activities, music & theatre have all been hand picked by the **Parkside Primary** pupils, making mature choices on what's suitable (and fun!) with budget, theme, and target audience.

ABOUT PARKSIDE PRIMARY SCHOOL

Parkside Primary School aims to provide the environment and support for each and every child to extend their skills and expertise, to become self-motivated and independent learners, valuing and celebrating their efforts and achievements. *Dream, believe... achieve.*
