

WISE UP

10 July 2026

www.hambleton.n-yorks.sch.uk

WE ARE A PEANUT and NUT AWARE SCHOOL.

Nuts and peanuts or any products containing nuts or peanuts are **NOT** allowed in our school.

Heads Up

Reports have been sent home tonight

Thought of the Week

T.E.A.M

Together Everyone Achieves More

We are Compassionate

Finally, all of you, be like-minded, be sympathetic, love one another, be compassionate and humble. 1 Peter 3:8

The Christian Value of the Half Term is **Respect**

"Kindness in words creates confidence."

Lao Tzu.

"Treat every living being, including yourself, with kindness."

Gautama Buddha.

"Valuing others shows your true worth."

Aesop.

"Every person has a story; take time to listen."

Maya Angelou.

We hope that you are all enjoying the sunshine. Our 'Rainbow Reflection Garden' looks stunning and is highly colourful, bursting with wildlife including buzzing insects and elegant butterflies. It is a place where the children love to be and enjoy their outside learning.

IMPORTANT!!!!

Please can you send your children into school **EVERY DAY NEXT WEEK** with **SUNHAT, SUNCREAM and a filled WATER BOTTLE.**

KS2 Performances

We want to say a massive **well done** to all the children who performed in our Key Stage 2 production of 'Hoodwinked', a swashbuckling Robin Hood tale! We are incredibly proud of how hard they worked, how confidently they spoke and sang, and how they brought so much energy and joy to the stage.

Thank you to you, our parents and families, for your continued support, helping with lines, and ensuring costumes were ready. It was a truly spectacular team effort!

Sports Week 2026

We hope the children have enjoyed the activities that did take place during Sports Week. Due to the extreme heat, many of the activities had to be postponed.

A big thank you to all of our parents, carers, family and friends who came along to support our children at Sports Day. It was lovely to see so many of you cheering them on and celebrating their achievements. We could not be prouder of the confidence, determination and enthusiasm they showed throughout the day. Thank you for helping to make the day so special. Your encouragement meant so much to the children and we hope you enjoyed watching them take part as much as we enjoyed seeing them shine.

Well done to every one of our amazing children. You all made us very proud!

Climbing Wall

As per the email sent out earlier, please can all children come to school in their PE kits and trainers on Monday 13 July as the Climbing Wall is in school for them after being postponed due to the high winds the other week.

End of Term Special Lunch

Amendment to the Menu for Friday 17 July as our Year 6's have chosen their fave meal from this term to have as their last meal in primary school. They have chosen Full English Breakfast. We hope lots of children will enjoy this meal too!!

Little Owls Cake Stall

The final Cake Stall was today, 10 July, thank you to everyone who has contributed to all our Cake Stalls over this year. We really do appreciate all your support in helping raise much needed funds for the school and our children.

We hope you all enjoyed a sweet treat from the Little Owls Stall walking home on this sunny day.

Reports

Your child's report has been sent home tonight, please check their bags!

Your child's completed books!

As we approach the end of the summer term, we will be sending home all of your child's books.

To safely transport your child's books home, please send them into school with a heavy-duty bag. Standard plastic bags often tear under the weight of multiple exercise books, so a strong, large shopping or reusable bag is highly recommended. Please can your child bring the bag into school to collect the books from Monday 13 July to Thursday 16 July.

Pumps

Pumps will be sent home at the end of this term with your child and will not be required from September onwards.

Headlice

We still have headlice in school. Please can ALL parents/carers check their childrens' hair and if need be treat the whole family. This bout of headlice is just not clearing up. Probably best for long hair to be tied up at the moment. If anyone would like a free headlice comb, then we have some in the school office.

Holiday Activities

Please see the attached poster from My Expedition Rocks who are located in Skipton providing climbing courses, clubs and programmes for children locally and further afield. They are running a number of club sessions over the summer at Ilkley Cow & Calf and Brimham Rocks. These venues are registered with Ofsted and operate under an AALS and LOtC licence/accreditation, operating at the highest standards. The poster gives details of dates and prices if your child is interested in this activity.

Last Day of Term

School closes for summer on Friday 17 July and we reopen Tuesday 8 September 2026. We would like to thank you all for your support this year and hope you have a lovely summer break. We look forward to welcoming all the children back in September and wish our Eagle Owls lots of success at their new High Schools.
