

WISE UP

26 June 2026

www.hambleton.n-yorks.sch.uk

WE ARE A PEANUT and NUT AWARE SCHOOL.

Nuts and peanuts or any products containing nuts or peanuts are NOT allowed in our school.

Heads Up Sports Day on Friday 3 July from 1 pm followed by the Summer Fayre

Thought of the Week

T.E.A.M

Together Everyone Achieves More

The Christian Value of the Half Term is **Respect**

"Kindness in words creates confidence."

Lao Tzu.

"Treat every living being, including yourself, with kindness."

Gautama Buddha.

"Valuing others shows your true worth."

Aesop.

"Every person has a story; take time to listen."

Maya Angelou.

We work as a Team

Two are better than one, because they have a good reward for their labour. If either of them falls down one can help the other up. But pity anyone who falls and has no-one to help them up.

Ecclesiastes 4:9,10

Sports Week

We hope the children have enjoyed the activities that did take place during Sports Week. Due to the extreme heat, many of the activities have been postponed.

Sports Day has now been postponed until next Friday, 3 July at 1 pm. We look forward to welcoming parents/carers in if you want to come and watch.

Y6 Cricket Tournament

Many Year 5/6 boys were lucky enough to have the opportunity to attend a Selby Cluster Cricket event at Reed School. We are incredibly proud that the team came first and second in the whole contest! A HUGE Well Done. The children's sportsmanship was perfect.

Howsham Mill Visit – Solar Science!

Eagle Owls visited Howsham Mill last week to find out all about their renewable energy sources. We made a solar oven, designed and made a water wheel and even cooked s'mores on the camp fire! Our annual tree climb for a photo was also completed ☺ The solar ovens definitely worked in the hot, sunny weather and we saw how hot they got using dataloggers – the chocolate definitely melted! A lovely day was had by all.

Fathers' Day Lunch

Thank you to all the Year 6 Dads, Grandads and male carers who came in for the Fathers' Day Lunch last week. It was a lovely time for the Year 6 children to have that time with their parents/carers and they all enjoyed a delicious roast dinner.

Drax Workshop – The Water Cycle and States of Matter

Hawk Owls had the pleasure of Mr Hogan visiting from Drax Power to run an afternoon workshop on solids, liquids and gases. He showed us some AMAZING experiments, ranging from weighing gas in a balloon, pouring water down string and even turning a full milk bottle full of water upside down! We have made our own mini water cycles in a bag and will be observing these over time. Such fantastic Science!

KS2 Performances

The children have been sounding fabulous whilst practicing the KS2 Performance; they are looking forward to you all coming to watch them.

A reminder of the dates and times:

Monday 29 June at 1.30 pm

Wednesday 1 July at 5 pm .. please can children be back in school for 4.45 pm

Thursday 2 July at 6 pm .. please can children be back in school for 5.45 pm

Little Owls trip to Harlow Carr

Little Owls had an exciting trip to Harlow Carr all about plants and living things. The children loved playing on the Log Ness Monster, using their imagination to swing across the swamp and play the instruments to create wonderful music. They journeyed on a pollinator hunt to discover how important insects are to nature. The children enjoyed their picnic under the willow trees before listening to The Gruffalo Story and adventuring through the woods to find the play area. Miss Tucker was extremely proud of how they represented Hambleton Primary School on their first ever trip.

End of Year Reports

End of Year Reports will be sent out Friday 10 July. Please remember to check your child's bags for them.

Little Owls Cake Sale

Our next Cake sale will take place on Friday 10 July and is being held by Little Owls. This will be our last Cake Sale of the school year. Please remember to send in an ingredients list with any homemade cakes or bakes. Thank you. We have really appreciated your support with our Cake Sales throughout the year and would like to say a big thank you to each and every one of you who has donated or bought some of the lovely sweet treats we have had on offer.

Book Amnesty

We have over 100 school reading books that have not been returned. Please check all cupboards, under beds etc and return to the box in the entrance area. Books cost us a lot of money to replace.

*****MOTO PLEA FROM MRS FARMERY!!!*****

Do any parents work for Moto? Does anyone you know work for Moto? Mrs Farmery is hoping to apply for a Community Grant for our outdoor STEM provision but needs a personal reference with an employee from Moto.

It would be AMAZING if you could get in touch if this is the case; there would be no catch – just a connection to vouch for the grant. Thank you so much in anticipation.

Reminder

Please remember that your child must have a sunhat, sun cream and a filled water bottle with them every day now that summer is here. Even if the morning starts out a bit cloudy or overcast, please still send them in as often the sun makes an appearance during the day.

Label New Uniform & Support FOHS!

Labelling your child's uniform ensures it actually makes it back home! Order your labels from mynametags.com, and they will donate a massive 24% of your purchase directly to our school PTA.

Just be sure to enter our unique School ID: 31795 at the checkout, please use the number, not the school name, so the fundraising donation reaches us. Please see poster attached too.

Wise Owls Awards

There has been no Wise Owls for the last two weeks due to Visits and Sports Events.

Our Christian Vision

We are:

Creative

Resilient

Truthful

Compassionate

Respectful

Teamwork
