

Roots to Grow and Wings to Fly

Written by Sam Dunkley with the Choir of Hambleton Primary School

*Give us roots to grow and wings to fly
At Hambleton Primary School
A community of God's own children
At Hambleton Primary School*

Although we're small our voices ring
Truth to power we speak and sing
Never hiding
Like a tiny wren

Working together as a team
Build our lives, create our dreams
Memories we treasure
Like the bees have shown

*Give us roots to grow and wings to fly
At Hambleton Primary School
A community of God's own children
At Hambleton Primary School*

When creative work's begun
Something out of nothing comes
Spinning our magic
Like a spiders web

Watch us change and see us grow
Facing challenge as we go
Let us be resilient
Like a butterfly

*Give us roots to grow and wings to fly
At Hambleton Primary School
A community of God's own children
At Hambleton Primary School*

We show respect for those we meet
Grace in triumph or defeat
Always be respectful
Like the mighty deer

We show compassion and we care
We show concern and we share
Sympathy for others
Like the Lamb of God

*Give us roots to grow and wings to fly
At Hambleton Primary School
A community of God's own children
At Hambleton Primary School
At Hambleton Primary School*
