

WISE UP

10 October 2025

www.hambleton.n-yorks.sch.uk

Heads Up

Please bring a coat to school now the weather is more unpredictable and rain can be expected some days

WE ARE A PEANUT and NUT AWARE SCHOOL.

Nuts and peanuts or any products containing nuts or peanuts are NOT allowed in our school.

We are Truthful

Dear children, let us not love with words or speech, but with actions and in truth
1 John 3:18

The whole school Christian worship value for this autumn half term is 'Generosity'.

"God loves a cheerful giver".

2 Corinthians 9.7

Whoever is generous to the poor lends to the Lord, and he will repay him for his deed.

Proverbs 19:17

Thought of the Week

Happiness depends on what you can give. Not what you can get.

Mahatma Gandhi

The Staff Team

At the end of this term we will be saying goodbye to teaching assistant Tina Fawcett. She is progressing her career with a move to a local secondary school. In the four years she has worked at the school Mrs Fawcett has worked in every year group and she has had a fantastic impact on the wellbeing and happiness of our children. We wish her the very best with her exciting new role! Subject to the usual checks, we have appointed a new member of the team and we will introduce you to them in due course.

Harvest

Thank you to everyone who donated food to Selby Food Bank for our Harvest collection. We received so many tins and packets, which will be very much appreciated by the Food Bank so a huge thank you for your generosity. We are in the process of booking a time slot with the Food Bank to drop it all off very soon.

Break The Rules

Thank you to everyone for breaking so many rules today!! It has been a fun day and we hope all the children have enjoyed breaking some rules in school!

Book Fair

Please note that our Book Fair is back this year and will be in the school from Wednesday 15 October until Monday 20 October. Please pop along after school and have a look.

STEM Engineering

Drax have once again been running a fantastic Lego Spike Coding Club for the Year 4/5 boys. They have been constructing vehicles and coding them to move and make sound!

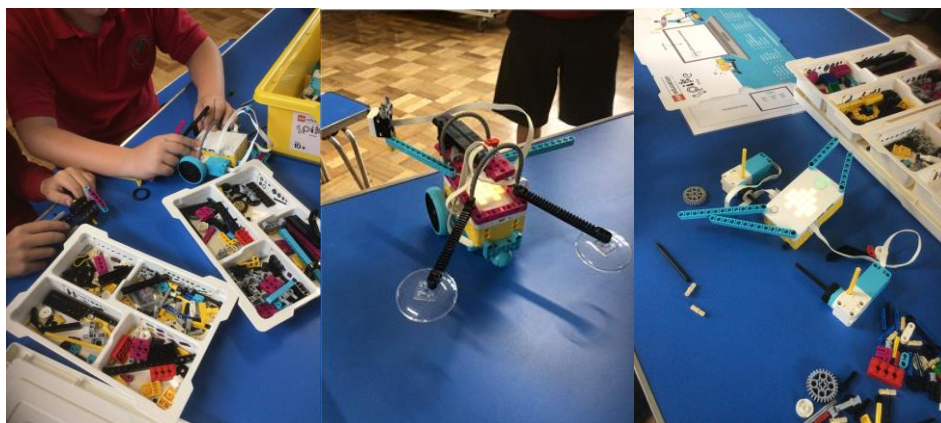

Sonny

"I've enjoyed it because you can build your robots out of Lego. We've made it do sound, distance and speed!"

Ambrose

"We've programmed our robot to use sound and we've learnt how to program so we know that we can do robotics when we're older."

We are very lucky to be having the Drax Education Team into school over the academic year to run Science workshops. Watch this space!

STEM Science Fun

Our first workshop run by Drax Education Team of Engineers was based around the topic of electricity. The Eagle Owl children had real fun and showed true resilience by creating circuits to power watches using different fruits and vegetables.

Parent/Teacher Consultations

Thank you to those who have booked the consultations via Arbor. We appreciate for some this was not straightforward but hope everyone now has an appointment booked if they would like one.

Learn to Play Football

Please see the attached flyer if you have a reception aged child who would like to play football.

Half Term

We break up on Friday 24 October for one week for our half term break. School will reopen on Monday 3 November.

Wise Owls Awards

Congratulations to all the Wise Owl Winners for this week:

Friday 10 October
Elf Owls: Oscar & Charlotte
Barn Owls: Layla & Kason
Tawny Owls: Ilinca
Hawk Owls: Indie
Snowy Owls: Frankie & Ambrose
Eagle Owls: Emily & Reggie

Please note that there was no Wise Owls assembly last week due to the Harvest Festival.

Our Christian Vision

We are:

Creative Resilient
Truthful Compassionate
Respectful Teamwork
